DEDICATION MEMORIAL SCONCES

When a new Church is dedicated by the Bishop, part of the ceremony includes the installation of 12 candle sconces at the places where the walls are anointed. When our church was dedicated in 2000, these candles were NOT placed. We would like to now install the sconces and offer them as a memorial to interested parishioners. They will be placed in locations around the church. You can see the first one installed on the back column just inside the doors. The sconces will be a permanent part of our church.

The suggested memorial offering is \$2000.

The sconce can have a memorial inscription according to your wishes.

You can select the location on a first come basis.

For one year after installation, we will keep a candle burning for your intentions. After that time, you can continue purchasing a candle to place there if you wish.

"LAMB OF GOD" PLAQUE

We have obtained a bronze art piece from the tabernacle door of one of the churches in the Diocese that has closed. The work has a Eucharistic theme and depicts the "Lamb of God". It has been placed on a red velvet background and framed and will be placed in the Eucharistic chapel. The work is now on display in the Narthex.

The suggested memorial offering is \$3000

A memorial inscription will be placed on the frame according to the wishes of the donor.

GRANITE PAVERS

A total of six Granite Pavers are now installed at the East entrance of the new church ready for your personalized inscription. Inscription will be completed in the Spring of 2010 the 10 year anniversary of our new church. **The suggested memorial offering is \$2,000**

GRANITE BENCHES

Beautiful Granite benches will be placed in a very prestigious manner on our grounds. They will be engraved with your family name (according to your wishes) as a permanent memorial. **The suggested memorial offering is \$3,000**
